How to Use These Tables

You can use these tables to convert raw scores to scaled scores for the **2025 key stage 2 (KS2) national curriculum tests**.

- A scaled score **between 100 and 120** shows the pupil has met the **Expected Standard** in the test.
- The **lowest** scaled score that can be awarded on a KS2 test is **80**.
- The **highest** score is **120**.
- Pupils need to have a raw score of **at least 3 marks** to be awarded the minimum scaled score.
